Moved Councillor Day, seconded Councillor Fitzsimons the following motion pro forma

Resolved

That the Pūroro Rangaranga | Social, Cultural and Economic Committee:

- 1) Receive the information.
- 2) Note that City Housing is about to begin communicating with tenants to raise awareness of the Affordable Rent Limit Subsidy (ARL) with tenants in hardship, including supporting eligible tenants to apply for the subsidy, should tenants choose to do so
- 3) Note that if all anticipated eligible tenants apply for the ARL, the reduction in revenue is estimated to be \$822,000 per year, although the final impact may depend on the number of people who choose to apply and the extent to which the ARL affects tenants' Accommodation Supplement (AS) from MSD
- 4) Agree that the cost is met by running down City Housing's cash reserves, noting this would be reflected in City Housing's Annual Plan budget through lower revenue for 2022/23 and future years.
- 5) Agrees to freeze rents for all tenants in 2022 and fund this through the City Housing's cash reserves
- 6) Note that City Housing will extend the promotion of existing translation services into the top 10 languages spoken by City Housing tenants to raise awareness amongst tenants of the real-time translation service (Ezispak) available
- 7) Note that all information provided by tenants during the application process for the affordable rent limit subsidy is used only for this purpose and consistent with the Privacy Act 1993.
- 8) Recommend to the Pūroro Maherehere | Annual Plan / Long-term Plan Committee that the tenants welcome pack is translated into Arabic, Tamil, Farsi, Mandarin/Cantonese, Spanish, Samoan, Russian, Cambodian and Hindi.
- 9) Agrees that officers will prepare advice for how to end the ring fencing of city housing finances and operations in time for deliberations for the Pūroro Maherehere | Annual Plan / Long-term Plan 2022/2023.

- 10) Request officers to provide advice through the Annual Plan process on remitting rates back to City Housing to assist with long term financial sustainability issues.
- 11) Restate the long standing position of this Council requesting that Council tenants can access IRRS.
- 12) Agree to support the Mayor's Taskforce on Social Housing.
- 13) Agree to Council officers providing support to the mayoral taskforce on housing where consistent with existing agreed work programmes and Council policy.
